Yuichiro Uzeki (Dance Entertainer KERA)

A man in a formal uniform stands in a complete silence. His unforgettable outstanding dance technique and ingenious performance attracts any audiences in a blink, pulling them into the imaginary world. He self-studied his pantomiming, clowning, magic, juggling and dancing skills, and now performs on the same show with the best entertainers in Japan.

He is a captivating talker, however his silent performance skill is one of the best in the country.

Also hold lectures and performs at the education institutions such as child's center, Universities, and even at the private enterprises.
